**WHAT IS THE DISASTER
PREPAREDNESS
REGISTRY?**

The questionnaire is designed to elicit information from individuals with all kinds of disabilities who wish to be voluntarily registered as needing extra assistance in the event of city-wide emergencies (e.g. earthquake, fire, flood, industrial accident, etc.) because of their disabilities. The information gathered by this questionnaire will be used solely for this purpose and will be **shared only with City of Berkeley Emergency Personnel** including Police and Fire.

**WHY IS THE DISASTER
PREPAREDNESS REGISTRY
IMPORTANT?**

To better serve the needs of the disability community in the event of community disasters, Easy Does It Emergency Services is mandated by our contract with the City of Berkeley to gather this information and provide it to Berkeley Police/Fire for use in disaster planning. Once you sign onto the Registry, you may have your name and information deleted at any time by contacting EDI and requesting change or deletion. Thank you for participating in this process.
